RECORDS OF THE OKLAHOMA UNION SOLDIERS HOME

Construction began on the Oklahoma Union Soldiers Home in 1917 and opened in June of 1919. The Home was established for veterans and their wives of the Civil War who were residents of Oklahoma. The home later included veterans of the Indian Wars, Spanish-American War and World War One. The Home was closed in 1933 and the building was converted into the headquarters of the Department of Corrections. All records of the Home were transferred to the "Oklahoma Memorial Hall" located in the Oklahoma Historical Society. The Memorial Hall was dedicated to preserving the memory of the Union Army and its connections with Oklahoma. The hall was closed in 1972, and the records were placed in storage area of the Archives Division of the Oklahoma Historical Society.

The records consist of journals, rosters, applications, GAR membership certificates, military discharges, Pension certificates, and personal correspondence. The above mentioned documents contain birth information, military service, civilian occupation and places of residence in Oklahoma.

Wives, widows, and mothers were also elibigle for admission to the home. They have been indicated by the word wife, widow or mother in parenthises after the last name.

The records have been transcribed in this catalogue and are listed alphabetical by place of birth. A standard category was used for each name. The categories are:
